

Netlist To Participate In Upcoming Conferences

November 7, 2017

IRVINE, Calif., Nov. 7, 2017 /PRNewswire/ -- Netlist, Inc. (NASDAQ: NLST), today announced the company will participate in the 3rd Annual ROTH Technology Corporate Access Day on Wednesday, November 15, 2017 in New York, NY. The Company will also participate in the Craig Hallum Capital Group 8th Annual Alpha Select Conference on Thursday, November 16, 2017 in New York, NY.

Investors attending the conferences who wish to meet with the Company should notify their ROTH or Craig Hallum representative.

For more information and registration, please visit the ROTH [conference website](#) and the Craig Hallum [conference website](#).

About Netlist

Netlist is a leading provider of high-performance modular memory subsystems serving customers in diverse industries that require superior memory performance to empower critical business decisions. Flagship products NVvault® and EXPRESSvault® enable customers to accelerate data running through their servers and storage and reliably protect enterprise-level cache, metadata and log data by providing near instantaneous recovery in the event of a system failure or power outage. HybriDIMM™, Netlist's next-generation storage class memory product, addresses the growing need for real-time analytics in Big Data applications and in-memory databases. Netlist holds a portfolio of patents, many seminal, in the areas of hybrid memory, storage class memory, rank multiplication and load reduction. Netlist is part of the Russell Microcap® Index. Safe Harbor Statement

This news release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are statements other than historical facts and often address future events or Netlist's future performance. Forward-looking statements contained in this news release include statements about trends in Netlist's performance; Netlist's efforts to protect and enforce its patent portfolio; Netlist's pending legal proceedings; customer interest in and market acceptance of Netlist's products; and Netlist's ability to execute its strategic initiatives. All forward-looking statements reflect management's present expectations regarding future events and are subject to known and unknown risks, uncertainties and other factors that could cause actual results to differ materially from those expressed in or implied by any forward-looking statements. These risks, uncertainties and other factors include, among others: risks associated with Netlist's product sales, including the market and demand for products sold or resold by Netlist and its ability to successfully develop, launch and stimulate customer demand for new products that are attractive to the market; risks associated with patent infringement litigation initiated by Netlist, such as its ongoing proceedings against SK hynix Inc., or by others against Netlist, as well as the costs and unpredictability of any such litigation; risks related to Netlist's plans for its intellectual property, including its strategies for monetizing, licensing, expanding and defending its patent portfolio; the success of product, joint development and licensing partnerships, including its relationship with Samsung Electronics Co., Ltd.; the competitive landscape of Netlist's industry; and general economic, political and market conditions. These and other risks and uncertainties are described in

Netlist's annual report on Form 10-K for its most recently completed fiscal year and the other filings it makes with the U.S. Securities and Exchange Commission from time to time, including its subsequently filed quarterly and current reports. Given these risks, uncertainties and other important factors, undue reliance should not be placed on any forward-looking statements. Forward-looking statements represent Netlist's estimates and assumptions only as of the date made, and except as required by law, Netlist undertakes no obligation to revise or update any forward-looking statements for any reason.
