

Netlist To Present At The B. Riley & Co. 18th Annual Investor Conference

May 17, 2017

IRVINE, Calif., May 17, 2017 /PRNewswire/ -- Netlist, Inc. (NASDAQ: NLST), today announced that C.K. Hong, Netlist's Chief Executive Officer, will be presenting at the B. Riley & Co. 18th Annual Investor Conference in Santa Monica, California at 8:30 a.m. PT (11:30 a.m. ET) on Wednesday, May 24, 2017.

A live broadcast and replay of the presentation will be made available to the public via audio webcast, which can be accessed by visiting the investor relations section of [Netlist's corporate website](#). The webcast will be archived for ninety days.

For more information and registration, please visit the [conference website](#). Investors attending the conference who wish to meet with Mr. Hong should notify their B. Riley & Co. representative.

About Netlist, Inc.

Netlist creates solutions that accelerate turning raw data into business insight. The company produces next generation persistent memory solutions that enable businesses to transact quicker, gain insight faster and reduce datacenter cost. Flagship products NVvault® and EXPRESSvault® accelerate system performance and provide mission critical fault tolerance. HybriDIMM™, Netlist's next-generation Storage Class Memory, lowers cost and improves performance of big data analytics and in-memory computing. The company holds a portfolio of patents, many seminal, in the area of hybrid memory, storage class memory, rank multiplication and load-reduction, among others. Netlist is part of the Russell Microcap® Index. To learn more, visit www.netlist.com.

Safe Harbor Statement:

This news release contains forward-looking statements regarding future events and the future performance of Netlist. A forward-looking statement is neither a prediction nor a guarantee of future events or circumstances and is based on currently available market, operating, financial and competitive information and assumptions. Forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those expected or projected, including, among others, risks associated with the launch and commercial success of our products, programs and technologies; the success of product, joint development and licensing partnerships; continuing development, qualification and volume production of HybriDIMM™, as well as our other products and technologies; the rapidly-changing nature of technology in our industry; risks associated with intellectual property, including patent infringement litigation initiated by us or by others against us as well as the costs and unpredictability of litigation over infringement of our intellectual property; volatility in the pricing of DRAM ICs and NAND flash; changes in and uncertainty of customer acceptance of, and demand for, our existing products and products under development, including predictions about the size of the market for our products; delays in our and our customers' product releases and development; introductions of new products by competitors; changes in end-user demand for technology solutions; and general economic and market conditions. Other risks and uncertainties are described in our annual report on Form 10-K filed on March 31, 2017, and subsequent filings with the U.S. Securities and Exchange Commission we make from time to time. Except as required by law, we undertake no obligation to publicly update or

revise any forward-looking statements, whether as a result of new information, future events or otherwise.
