## PROXY STATEMENT

### GENERAL INFORMATION

We are sending you this proxy statement in connection with the solicitation of proxies by our Board of Directors for use at the 2014 Annual Meeting of Stockholders of Netlist, Inc, a Delaware corporation (the "Company," "Netlist," "we" or "our"), which we will hold on Wednesday, June 11, 2014 at 10:00 a.m., Pacific Time, at the offices of Merrill Corporation, 2603 Main Street, Suite 100, Irvine, CA 92614. The record date for the Annual Meeting is April 25, 2014. All holders of record of our common stock on the record date are entitled to notice of and to vote at the Annual Meeting and any meetings held upon any adjournment or postponement thereof. This proxy statement is being initially distributed to our stockholders on or about May 9, 2014.

Whether or not you plan to attend the Annual Meeting in person, please date, sign and return the enclosed proxy card as promptly as possible, in the postage prepaid envelope provided, to ensure that your shares will be voted at the Annual Meeting. Unless you instruct otherwise in the proxy, any proxy that is not revoked will be voted at the Annual Meeting:

- (1) for each nominee to our Board of Directors;
- (2) to ratify the appointment of KMJ Corbin & Company LLP as the Company's independent registered public accounting firm for the fiscal year ending December 27, 2014; and
- (3) as recommended by our Board of Directors, in its discretion, with regard to all other matters as may properly come before the Annual Meeting or any adjournment or postponement thereof.

### Voting Information

At the Annual Meeting, votes will be counted by written ballot. The presence, in person or by a proxy relating to any matter to be acted upon at the Annual Meeting, of the holders of a majority of the outstanding shares of common stock will constitute a quorum for purposes of the Annual Meeting. Abstentions, broker non-votes, which are explained below, and shares as to which authority to vote on any proposal is withheld, are each included in the determination of the number of shares present at the Annual Meeting for purposes of obtaining a quorum.

Under our Amended and Restated Bylaws (our "Bylaws"), when a quorum is present at any meeting, directors are elected by a plurality of the votes cast by the stockholders entitled to vote in the election of directors. All other matters are determined by a majority of the votes cast affirmatively or negatively on the proposal, except when a different vote is required by law, the national securities exchange on which we are listed, our Restated Certificate of Incorporation or our Bylaws. As a result, abstentions and broker non-votes are not considered votes cast on either of the proposals presented at the Annual Meeting and will have no affect on the voting results for such proposals.

A "broker non-vote" occurs when a broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have the discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner. Broker non-votes are not deemed to be votes cast on a proposal. Under applicable rules, brokers or other nominees have discretionary voting power with respect to matters that are considered routine, but not with respect to non-routine matters. Proposal No. 1 (the election of directors) is considered a non-routine matter and Proposal No. 2 (ratification of independent registered public accounting firm) is considered a routine matter. A broker or other nominee cannot vote without instructions on

non-routine matters such as Proposal No. 1, and therefore there may be broker non-votes on this proposal. Broker non-votes are not expected to result from the vote on Proposal No. 2.

*Election of Directors.* Directors are elected by a plurality of the votes cast. That is, the six director nominees receiving the greatest number of votes will be elected. As described above, your broker is not able to vote uninstructed shares on your behalf in any director election. As such, we encourage you to sign and return your proxy and vote your shares in the election of directors before the meeting so that your shares will be represented and voted at the meeting even if you cannot attend in person.

*Ratification of the Appointment of the Independent Registered Public Accounting Firm.* The affirmative vote of a majority of the votes cast affirmatively or negatively on this proposal is required to approve the proposal to ratify the appointment of KMJ Corbin & Company LLP as our independent registered public accounting firm. Broker non-votes are not expected to result from the vote on Proposal No. 2. Abstentions will have no effect on the outcome of the vote on this proposal.

If any other matters are properly presented at the Annual Meeting for consideration, including, among other things, consideration of a motion to adjourn the meeting to another time or place, the individuals named as proxies and acting there under will have discretion to vote on those matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. If the Annual Meeting is postponed or adjourned, a stockholder's proxy may remain valid and may be voted at the postponed or adjourned meeting. A stockholder will still be able to revoke the stockholder's proxy until it is voted. As of the date of this Proxy Statement, the Board of Directors does not know of any matters other than those described in this Proxy Statement that will be presented at the Annual Meeting.

**Proxies properly executed and received by us prior to the Annual Meeting and not revoked will be voted as directed therein on all matters presented at the Annual Meeting. In the absence of specific direction from a stockholder, proxies will be voted "FOR" the election of all named director nominees and "FOR" the proposal to ratify the appointment of the independent registered public accounting firm.**

### **Shares Outstanding and Required Vote**

Only holders of record of shares of our common stock at the close of business on the record date, April 25, 2014, will be entitled to notice of and to vote at the Annual Meeting and any adjournment thereof. At the close of business on April 25, 2014, the Company had (i) 41,479,584 shares of common stock outstanding and entitled to vote and (ii) 9 stockholders of record. Each holder of record of shares of our common stock on the record date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

### **How to Vote**

You may vote by attending the Annual Meeting and voting in person or you may vote by submitting a proxy. If you hold your shares of common stock in street name you will receive a notice from your broker, bank or other nominee that includes instructions on how to vote your shares. Your broker, bank or other nominee may allow you to deliver your voting instructions via the Internet and may also permit you to submit your voting instructions by phone.

If you plan to attend the annual meeting and wish to vote in person, you will be given a ballot at the Annual Meeting. Please note that if your shares are held of record by a broker, bank or other nominee, and you decide to attend and vote at the Annual Meeting, your vote in person at the Annual Meeting will not be effective unless you present a legal proxy, issued in your name from your broker, bank or other nominee. Even if you plan to attend the Annual Meeting, we encourage you to submit your proxy to vote your shares in advance of the Annual Meeting.

## **Revocation of Proxies**

You are a stockholder of record if at the close of business on the record date your shares were registered directly in your name with Computershare Trust Company, N.A., our transfer agent. If you are a stockholder of record and give a proxy, you may revoke it at any time before its use, either:

- (1) by revoking it in person at the Annual Meeting;
- (2) by writing, delivered to our Corporate Secretary at 175 Technology, Suite 150, Irvine, California, 92618 before the proxy is used;  
or
- (3) by a later dated proxy card delivered to us at the above noted address before the proxy is used.

Your presence at the meeting will not revoke your proxy, but if you attend the meeting and cast a ballot, your proxy will be revoked as to the matters on which the ballot is cast. If you hold your shares through a broker, bank, trustee or other nominee, please follow the instructions provided by your broker or other nominee as to how you may change your vote or obtain a legal proxy to vote your shares if you wish to cast your vote in person at the Annual Meeting.

## **Proxy Solicitation Costs**

We will pay for the cost of preparing, assembling, printing and mailing these proxy materials to our stockholders, as well as the cost of soliciting proxies relating to the Annual Meeting. We may request banks and brokers to solicit their customers who beneficially own our common stock listed of record in names of nominees. We will reimburse these banks and brokers for their reasonable out-of-pocket expenses regarding these solicitations. Our officers, directors and employees may supplement the original solicitation by mail of proxies by telephone, facsimile, e-mail and personal solicitation. We will pay no additional compensation to our officers, directors and employees for these activities.

**The Board of Directors recommends a vote FOR the election of each of the named nominees as directors.**

#### **Director Independence**

Our Board of Directors has determined that each of our current directors and each of our directors during fiscal 2013, other than our Chief Executive Officer, Chun Ki Hong, qualify as "independent" as the term is defined by Nasdaq Marketplace Rule 5605(a)(2). In making this determination, the Board of Directors reviewed and discussed information provided by the directors and management with regard to each director's business and personal activities as they may relate to our management.

## Information Regarding our Board of Directors and its Committees

Our Board of Directors consisted of six members as of the end of Fiscal 2013: Chun Ki Hong, Charles F. Cargile, Thomas F. Lagatta, Claude M. Leglise, Alan H. Portnoy and Blake A. Welcher. In April 2013, HK Desai resigned from our Board of Directors to focus on his increasing demands as an executive of another company and not due to any disagreement with Netlist regarding any of our operations, policies or practices. As a result of such resignation, our Board of Directors consisted of four directors from April 2013 until Messrs. Cargile and Welcher were appointed to our Board in August 2013.

Our Board of Directors met four times during our fiscal year ended December 28, 2013 ("Fiscal 2013"). Each of our directors attended at least 75% of the total number of meetings of the Board of Directors and of the committees of the Board of Directors on which he served during Fiscal 2013. Our Board of Directors has established the following committees: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee.

### *Audit Committee*

Our Audit Committee currently consists of three members, including Charles Cargile (chair), Thomas Lagatta and Claude Leglise. Messrs. Lagatta and Leglise served as members of our Audit Committee throughout Fiscal 2013 and Mr. Cargile was appointed to our Audit Committee as its chairman concurrently with his appointment to our Board of Directors in August 2013. Prior to Mr. Cargile's appointment, Mr. Portnoy served on our Audit Committee following his appointment in April 2013 to fill the vacancy caused by Mr. Desai's departure. Our Board of Directors determined that Mr. Cargile qualified as an "audit committee financial expert" in accordance with Securities and Exchange Commission (the "SEC") rules. Our Board has affirmatively determined that each current member of the Audit Committee and each member of the Audit Committee during Fiscal 2013 is or was independent under Nasdaq Marketplace Rule 5605(a)(2), and meets all other qualifications under Nasdaq Marketplace Rule 5065(e) and the applicable rules of the Securities and Exchange Commission.

Our Board of Directors has adopted a written charter for our Audit Committee. The charter is set forth on our website, located at <http://www.netlist.com>. Our Audit Committee (a) oversees the integrity of our consolidated financial statements, our financial reporting process, systems of accounting, internal controls and disclosure controls and procedures, and our financial reporting legal and regulatory compliance, (b) reviews and approves in advance any transactions by us with related parties, (c) appoints our independent registered public accounting firm, (d) monitors the independence and performance of our independent registered public accounting firm, (e) is responsible for setting the corporate tone for quality financial reporting and sound business risk practices and ethical behavior and, (f) provides an avenue of communication among the independent registered public accounting firm, management, and our Board of Directors. The Audit Committee must also pre-approve all audit services and, subject to a "de minimus" exception, all other services performed by the independent registered public accounting firm. Our Audit Committee also has the responsibility to review with management and approve in advance any transactions or courses of dealing with related parties. Our Audit Committee met four times during Fiscal 2013 and met with our independent registered public accounting firm without management present on four occasions in Fiscal 2013.

### *Compensation Committee*

Our Compensation Committee currently consists of two members, including Thomas Lagatta (chair) and Blake Welcher. Mr. Lagatta served as a member of our Compensation Committee throughout Fiscal 2013 and was appointed chairman in April 2013 following Mr. Desai's departure. Mr. Welcher was appointed to our Compensation Committee in October 2013. Prior to Mr. Welcher's appointment, Mr. Portnoy served on our Compensation Committee following his appointment in April

2013 to fill the vacancy caused by Mr. Desai's departure. Our Board as determined that each of the members of our Compensation Committee is independent in accordance with Nasdaq Marketplace Rule 5605(a)(2). Each member of our Compensation Committee is also currently a "non-employee director" as that term is defined under Rule 16b-3 of the Securities Exchange Act of 1934 (the "Exchange Act") and an "outside director" as that term is defined in Internal Revenue Service Regulations. Our Compensation Committee reviews the performance of our chief executive officer and other executives and makes decisions and specific recommendations regarding their compensation to the Board of Directors with the goal of ensuring that our compensation system for our executives, as well as our philosophy for compensation for all employees, is aligned with the long term interests of our stockholders and does not encourage our executives to take excessive or unnecessary risks that might threaten our long-term value. The Compensation Committee also oversees the development of executive succession plans. Pursuant to its charter, the Compensation Committee may select, retain and terminate such compensation consultants, outside counsel and other advisors as it deems necessary or appropriate in its sole discretion and has the authority to approve the fees and retention terms relating to such consultants. The Compensation Committee met once during Fiscal 2013. The charter of the Compensation Committee is set forth on our website, located at <http://www.netlist.com>.

#### *Nominating and Corporate Governance Committee*

Our Nominating and Corporate Governance Committee currently consists of two members, including Alan Portnoy (Chair) and Claude Leglise. Messrs. Portnoy and Leglise served on our Nominating and Corporate Governance Committee throughout Fiscal 2013. Our Board has determined that each of the members of our Nominating and Corporate Governance Committee is independent in accordance with Nasdaq Marketplace Rule 5605(a)(2). The charter of the Nominating and Corporate Governance Committee and our corporate governance guidelines are set forth on our website, located at <http://www.netlist.com>. Our Nominating and Corporate Governance Committee reviews and makes recommendations to the Board of Directors about our governance processes, assists in identifying and recruiting candidates for the Board of Directors, reviews the performance of our Board of Directors and its committees, recommends to the Board proposed nominees for Board membership and makes recommendations to our Board of Directors regarding the membership and chairs of the committees of our Board of Directors. Our Nominating and Corporate Governance Committee met once during Fiscal 2013.

#### **Board Leadership Structure**

Both the Chairman of the Board and the Chief Executive Officer positions are currently held by Mr. Chun Ki Hong. We do not have a lead independent director. However, all Board committee members are independent directors.

The Board of Directors believes that our Chief Executive Officer is best situated to serve as Chairman of the Board of Directors because, as one of our founders, he possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company and its businesses and is best positioned to develop agendas that ensure that the Board's time and attention are focused on the most critical matters. Further, Mr. C.K. Hong is intimately involved in the day-to-day operations of our company and is thus in a position to elevate the most critical business issues for consideration by the independent directors of the Board. His combined role, along with his significant ownership in the Company, ensures clear accountability and enhances the Company's ability to communicate its message and strategy clearly and consistently to the relevant stakeholders. The Board of Directors believes that combining the role of the Chairman and Chief Executive Officer at this point in time promotes strategy development and execution, and facilitates information flow between management and the Board of Directors, which are essential to effective governance.

Independent directors and management have different perspectives and roles in strategy development. The Company's independent directors bring experience, oversight and expertise from outside the company and industry, while the Chief Executive Officer brings company-specific experience and expertise. All Board committee members are independent directors, and the independent directors of the Board meet regularly in executive session (with no management directors or management present) as often as they deem advisable, but at least semi-annually. Executive sessions of the independent directors are called and chaired by the chairman of the Board's Nominating and Corporate Governance Committee. These executive session discussions may include such topics as the independent directors determine. During Fiscal 2013, the independent directors met four times in executive session.

Our Board of Directors has always been small in number, with strong participation by all Board members. Our Nominating and Corporate Governance Committee and our Board of Directors have each considered the need for, and desirability of, the separation of the Chief Executive Officer and Chairman positions or the formal appointment of a lead independent director. After consideration, both our Nominating and Corporate Governance Committee and our Board of Directors have concluded that the independent nature of our Board committees, as well as the practice of our independent directors regularly meeting in executive session without Mr. C.K. Hong and the other members of our management present, ensures that our Board maintains a level of independent oversight of management that is appropriate for our company.

### **Director Qualifications and Review of Director Nominees**

Our Nominating and Corporate Governance Committee identifies qualified individuals to become members of our Board of Directors and recommends to the Board proposed nominees for Board membership. Our Nominating and Corporate Governance Committee does not have a specific set of minimum criteria for membership on the Board of Directors. In making its recommendations, however, it takes into account an individual's skills, expertise, industry and other knowledge and business and other experience that may be useful to the effective oversight of the Company's business. This committee also considers continuing director tenure and takes steps as may be appropriate to ensure that our Board of Directors is open to new ideas. Pursuant to our Corporate Governance Guidelines, a majority of our Board of Directors must qualify as "independent" under the NASDAQ rules and Section 10A of the Exchange Act and no director may stand for re-election who has not participated in at least 65% of the combined total of the Board and committee meetings, unless excused for a medical purpose, during the entire term for which he or she was elected. Per our Corporate Governance Guidelines, no director may concurrently serve on the board of directors of more than three public companies and our Chief Executive Officer and any other director that is employed fulltime may not serve on the Board of Directors of more than two public companies, including our Board of Directors. The Nominating and Governance Committee assess the effectiveness of the Corporate Governance Guidelines, including with respect to director nominations and qualifications, through completion of the annual self-evaluation process.

Our Nominating and Corporate Governance Committee will consider nominees for directors recommended by stockholders upon submission in writing to our Secretary of the names and qualifications of such nominees at the following address: Netlist, Inc., 175 Technology, Suite 150, Irvine, California 92618. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates based on whether the candidate was recommended by a stockholder or not. The submissions should include a current resume and curriculum vitae of the candidate and statement describing the candidate's qualifications and contact information for personal and professional references. The submission should also include the name and address of the stockholder who is submitting the nominee, the number of shares which are owned of record or beneficially by the submitting stockholder and a description of all arrangements or understandings between the submitting stockholder and the candidate.

## **Nominations for Directors**

Our Bylaws provide that any stockholder who is entitled to vote at the annual meeting and who complies with the notice requirements described below may nominate persons for election to the Board of Directors. To be timely, a stockholder's notice must be delivered to or mailed and received at our principal executive offices not less than 120 calendar days prior to the first anniversary of the date on which we first mailed our proxy materials for the previous year's annual meeting of stockholders. However, if an annual meeting was not held or has been advanced more than thirty (30) days from the date of the prior year's annual meeting, notice by the stockholder to be timely must be delivered to our corporate secretary at our principal executive offices not later than the close of business on the 10th day following the day on which public announcement of the date of such meeting is first made.

The stockholder's notice relating to director nomination(s) shall set forth: (i) the name and address of the stockholder who intends to make the nomination, of the beneficial owner, if any, on whose behalf the nomination is being made and of the person or persons to be nominated; (ii) a representation that the stockholder is a holder of record of stock of the corporation entitled to vote for the election of directors on the date of such notice and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (iii) a description of all arrangements or understandings between the stockholder or such beneficial owner and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder; (iv) such other information regarding each nominee proposed by such stockholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission, had the nominee been nominated, or intended to be nominated, by the Board of Directors; (v) the consent of each nominee to serve as a director of the corporation if so elected; and (vi) if proxies are intended to be solicited in support of such stockholder's nominee(s), a representation to that effect.

## **Corporate Governance Guidelines; Code of Business Conduct**

Our Board of Directors has adopted a set of corporate governance guidelines established to assist the Board of Directors and its committees in performing their duties and serving the best interests of the company and our stockholders. Our corporate governance guidelines are available on our website, located at <http://www.netlist.com>. We also have a Code of Business Conduct and Ethics. This code describes certain ethical principles that we have established for the conduct of our business and outlines certain key legal requirements of which all employees must be generally aware and with which all employees must comply. Our Code of Business Conduct and Ethics is available on our website, located at <http://www.netlist.com>.

## **Risk Oversight**

Our Board of Directors as a whole is responsible for risk management oversight of the Company. The involvement of our full Board of Directors in setting our business strategy and objectives is integral to the Board's assessment of our risk and also a determination of what constitutes an appropriate level of risk and how best to manage any such risk. This involves receiving reports and/or presentations from applicable members of management and the committees of the board. Our Board of Directors conducts on-going risk assessment of our financial risk, legal/compliance risk and operational/strategic risk and addresses individual risk issues with management throughout the year as necessary.

While our Board of Directors has the ultimate oversight responsibility for the risk management process, the Board delegates responsibility for certain aspects of risk management to its committees. In particular, the Audit Committee focuses on financial risks and related controls and processes. Per its charter, the Audit Committee discusses with management our financial statements and the reasonableness of significant judgments and the adequacy and effectiveness of the accounting and

financial controls. The Compensation Committee strives to create incentives that encourage a level of risk-taking behavior consistent with our business strategy and objectives. Finally, the Nominating and Governance Committee is responsible for overseeing our corporate governance and developing and reviewing our Code of Business Conduct and Ethics. Additionally, the full Board regularly receives reports from our Chief Executive Officer and Chief Financial Officer, the two executive officers principally responsible for aiding the Board in identifying, evaluating and implementing risk management controls and methodologies to address identified risks.

### Board of Directors' Attendance at Annual Meeting of Stockholders

We do not have a policy requiring that directors attend our annual meeting of stockholders. None of our independent directors attended our 2013 annual meeting of stockholders.

### Compensation of Non-Employee Directors

Our non-employee directors receive an annual payment of \$30,000, which is paid in four quarterly installments, and additional payments of \$1,000 for each regularly scheduled board meeting, and each board committee meeting not held on the same day as a board meeting, that is attended by the director. The chairperson of our Audit Committee receives an additional \$5,000 per year. All of our directors, including our non-employee directors, are reimbursed for their reasonable out-of-pocket expenses incurred in attending board and board committee meetings. Our non-employee directors are also granted options to purchase 25,000 shares of our common stock upon their appointment or initial election to the Board of Directors. In addition, beginning in 2012, each of our non-employee directors receives a grant of options to purchase 20,000 shares of our common stock for each year in which they continue to be a director. These option grants are subject to vesting in equal quarterly installments over four years, contingent upon continued service as a director on the vesting date, and have an exercise price equal to the fair market value of the shares of common stock underlying the option on the date of grant as determined in accordance with the terms of the Company's Amended and Restated 2006 Equity Incentive Plan (the "Plan"). The following table sets forth a summary of the compensation we paid to our non-employee directors in Fiscal 2013.

## PROPOSAL 2

### RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected KMJ Corbin & Company LLP as our independent registered public accounting firm with respect to our financial statements for the fiscal year ending December 27, 2014. In taking this action, the Audit Committee considered KMJ Corbin & Company LLP's independence with respect to the services to be performed and other factors that the Audit Committee and the Board of Directors believe are advisable and in the best interest of the stockholders. As a matter of good corporate governance, the Audit Committee has decided to submit its selection to stockholders for ratification. In the event that this selection of our independent registered public accounting firm is not ratified by a majority vote of the shares of common stock present or represented at the Annual Meeting, it will be considered as a direction to the Audit Committee to consider the selection of a different firm.

Representatives of KMJ Corbin & Company LLP are expected to attend the 2014 Annual Meeting and will be available to respond to appropriate questions and to make a statement if they so desire. If KMJ Corbin & Company LLP should decline to act or otherwise become incapable of acting, or if KMJ Corbin & Company LLP's engagement is discontinued for any reason, the Audit Committee will appoint another independent registered public accounting firm to serve as our independent registered public accounting firm for our 2014 fiscal year.

#### Required Vote

Approval of this proposal requires the affirmative vote of a majority of the votes cast affirmatively or negatively on the proposal at the Annual Meeting. Abstentions will have no effect on the outcome of the vote on this proposal.

**The Board of Directors recommends that you vote "FOR" approval  
of the ratification of KMJ Corbin & Company LLP as our independent registered public  
accounting firm for the 2014 fiscal year.**

#### Fees Paid to Independent Registered Public Accounting Firm

In connection with the audit of our consolidated financial statements for fiscal year 2013, we entered into an agreement with KMJ Corbin & Company LLP which sets forth the terms by which KMJ Corbin & Company LLP will perform audit services for the company. The following table presents the aggregate fees billed for the indicated services performed by KMJ Corbin & Company LLP during fiscal years 2013 and 2012:

	<u>2013</u>	<u>2012</u>
Audit Fees	\$ 136,150	\$ 143,630
Audit-Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—
Total Fees	<u>\$ 136,150</u>	<u>\$ 143,630</u>

*Audit Fees.* Audit fees consist of the aggregate amount of fees billed to us for the fiscal years ended December 28, 2013 and December 29, 2012 by KMJ Corbin & Company LLP, the company's independent registered public accounting firm, for the audit of our annual consolidated financial statements and the review of our quarterly consolidated financial statements. These fees also included

the review of our registration statements on Form S-3 and Form S-8 and certain other related matters such as the delivery of comfort letters and consents in connection with our registration statements.

KMJ Corbin & Company LLP did not bill any audit related fees, tax fees or other fees to us in fiscal years 2013 or 2012.

### **Pre-approval Policies and Procedures**

Our Audit Committee's charter requires our Audit Committee to pre-approve all audit and permissible non-audit services to be performed for the Company by our independent registered public accounting firm, giving effect to the "de minimus" exception for ratification of certain non-audit services allowed by the applicable rules of the SEC, in order to assure that the provision of such services does not impair the auditor's independence. Our Audit Committee pre-approved all services performed by KMJ Corbin & Company LLP in Fiscal 2013 and concluded that such services were compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

### **AUDIT COMMITTEE REPORT**

The Audit Committee of the Board of Directors is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee is currently composed of Charles Cargile, Claude Leglise and Thomas Lagatta, each of whom have been determined by our Board of Directors to be independent directors. Management is responsible for internal controls and the financial reporting process. The independent registered public accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States). The Audit Committee's responsibility is to monitor and oversee these processes.

In fulfilling its responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss our December 28, 2013 consolidated financial statements and our fiscal year 2013 interim consolidated financial statements, including the disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our most recent annual report on Form 10-K, any material changes in accounting policies used in preparing such consolidated financial statements prior to filing the annual report on Form 10-K or our quarterly reports on Form 10-Q with the SEC, and the items required to be discussed by Statement of Auditing Standards No. 16, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), with respect to annual consolidated financial statements, and Statement of Auditing Standards No. 100, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 722), with respect to quarterly consolidated financial statements.

In addition, the Audit Committee received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accounting firm's communications with the Audit Committee concerning independence, and discussed with the independent registered public accounting firm such firm's independence from the Company and its management. The Audit Committee has concluded that the independent registered public accounting firm is independent from the Company and our management.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, the inclusion of the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 28, 2013, for filing with the SEC.

THE AUDIT COMMITTEE:  
Charles Cargile, Chair  
Thomas Lagatta

Under this rule, a person is deemed to be the beneficial owner of securities that can be acquired by such person within 60 days of April 25, 2014 upon the exercise of options. Each beneficial owner's percentage ownership is determined by assuming that all options held by such person that are exercisable within 60 days of April 25, 2014 have been exercised. Except in cases where community property laws apply or as indicated in the footnotes to this table, we believe that each stockholder identified in the table possesses sole voting and investment power over all shares of common stock shown as beneficially owned by the stockholder.

## Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors and persons who own more than 10% of a registered class of our equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 or 5 with the SEC. Such executive officers, directors and 10% stockholders are also required by SEC rules to furnish us with copies of all Section 16(a) reports they file. To our knowledge, based solely on our review of the copies of such forms received by us or written representations from reporting persons, we believe that our executive officers and directors and persons who own more than 10% of a registered class of our equity securities complied with all applicable Section 16(a) filing requirements during Fiscal 2013.

We match 50% of the first 6% of pay that is contributed to the Savings Plan at our discretion in any fiscal year. All employee contributions to the Savings Plan are fully-vested upon contribution. The Company's matching contributions vest over four years.

#### **Employment Agreements**

We entered into an employment agreement with our Chief Executive Officer, Chun Ki Hong, in September 2006. This agreement provides for an initial base salary of \$323,000 plus other customary benefits, including the reimbursement of professional fees and expenses incurred in connection with income and estate tax planning and preparation, income tax audits and the defense of income tax claims, the reimbursement of membership fees and expenses for professional organizations and one country club, the reimbursement of employment-related legal fees, automobile rental payments and vehicle related expenses and the reimbursement of health club dues and other similar health-related expenses. Mr. C.K. Hong may earn annual performance bonuses, at the discretion of our Board of Directors, of up to 100% of his base salary based upon the achievement of performance objectives.

Mr. C.K. Hong's employment agreement automatically renews for additional one-year periods unless we or Mr. Hong provide notice of termination six months prior to the renewal date, but at all times Mr. C.K. Hong may terminate his employment upon six months' advance written notice to us. If we terminate Mr. C.K. Hong's employment without cause or if he terminates his employment for good reason, which includes a change of control of our company, he will be entitled to receive continued payments of his base salary for one year, reimbursement of medical insurance premiums during that period unless he becomes employed elsewhere, a pro-rated portion of his annual performance bonus, and, if any severance payment is deemed to be an "excess parachute payment" within the meaning of Section 280G of the Internal Revenue Code, an amount equal to any excise tax imposed under Section 4999 of the Internal Revenue Code. In addition, pursuant to his employment agreement, any unvested options shall immediately become fully vested and exercisable as of the effective date of such termination or resignation. If Mr. C.K. Hong's employment is terminated due to death or disability, he or his estate will receive a lump sum payment equal to half his annual base salary and any options held shall vest to the same extent as they would have vested one year thereafter. Additionally, in the event that Mr. C.K. Hong's employment is terminated due to death or disability, to the extent that such amounts remain restricted, the restriction on 25% of the restricted stock award will immediately lapse and no additional restrictions shall lapse thereafter. If Mr. C.K. Hong resigns without good reason or is terminated for cause, we will have no further obligation to him other than to pay his base salary through the date of termination. Mr. C.K. Hong did not receive a bonus for Fiscal 2013 based on factors related to the Company's operating performance during Fiscal 2013.

We have not entered into an employment agreement with Ms. Gail Sasaki, our vice president, chief financial officer and secretary. For 2012 and 2013, Ms. Sasaki received an annualized base salary of \$200,000. In the event Ms. Sasaki's employment is terminated due to death or disability, any options held by Ms. Sasaki shall vest to the same extent as they would have vested one year thereafter. Additionally, in the event that Ms. Sasaki's employment is terminated due to death or disability, to the extent that a portion of Ms. Sasaki's restricted stock award remains restricted, the restriction on 25% of the shares subject to the award will immediately lapse and no additional restrictions shall lapse thereafter. Ms. Sasaki is eligible for a target bonus of 75% of her base salary, which is to be determined by our Board of Directors in its discretion based on various factors. Ms. Sasaki did not receive a bonus for Fiscal 2013 based on factors related to the Company's operating performance during Fiscal 2013.

## **TRANSACTIONS WITH RELATED PERSONS**

### **Policies and Procedures for Approval of Related Party Transactions**

Our Audit Committee has the responsibility to review with management and approve in advance any transactions or courses of dealing with related parties. The Audit Committee intends to approve only those related party transactions that are considered to be in the best interests of Netlist and our stockholders. In considering whether to approve any transaction, the Audit Committee considers such factors as it deems appropriate, which may include: (i) the related party's relationship with the Company and interest in the transaction; (ii) the material facts of the proposed transaction, including the proposed value of such transaction, or, in the case of indebtedness, the principal amount that would be involved; (iii) the benefits of the transaction to the Company; (iv) an assessment of whether the

transaction is on terms that are comparable to the terms available with an unrelated party; (v) in the case of an existing transaction, the impracticability or cost of securing alternative arrangements; and (vi) such other factors as the Audit Committee deems relevant.

### DELIVERY OF VOTING MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are the Company's stockholders will be "householding" our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to Netlist, Inc., c/o Corporate Secretary, 175 Technology, Suite 150, Irvine, California 92618 or call Investor Relations at (212) 986-6667. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their brokers.

By order of the Board of Directors,

Gail Sasaki  
*Vice President, Chief Financial Officer and  
Secretary*
